A message from our Chairperson:

Kia ora koutou,

It's an exciting time for Skills4Living as we have moved to our new premises at 538 Bath Street. We are joined by Community Law and intend for a third community group to also join us in the coming months. Our new premises is a warm and welcoming community hub. We look forward to delivering our services from Queen Street into the future.

It was lovely to see some of you at our AGM in July and celebrate the wonderful work Iona, Kim, Sam, our supervised contact team and volunteers have done across the year. Thank you all for your amazing contribution in supporting our community.

We have also welcomed two new Trustees to the Board and we look forward to introducing them in our next newsletter.
